

Food For Funds

The Legacy Food for Funds organization offers student athletes and their families the opportunity to participate in a program to assist in off-setting the costs.

Fundraiser Overview

Legacy Food for Funds works with the Moda Center, Veterans Memorial Coliseum, Providence Park, and the Hillsboro Hops to adopt various concessions stands. These venues donate a percentage of the proceeds of food sales for the events you work, this is credited to your Food for Funds Account, which is maintained by the FFF Coordinator for the Westside Timbers. You can request your share of earned funds to be paid to the Westside Timbers Soccer Club (a 501-3C Corporation), on your behalf. Funds earned within the FFF program must be applied toward your Club Fees first. After your Club Fees are paid in full you may apply what you earn toward team fees. For funds paid toward team fees you will need to provide supporting documentation.

How much can you earn?

Most venues pay a percentage based on food and non-alcoholic beverage sales, some venues also include alcoholic beverage sales. You can expect to earn on average \$75 per event - sometimes more, it depends on stand sales.

Age Requirements & Who can Volunteer

You must be at least 16 years old. You, your parents, and older siblings can all participate! The majority of our shifts are for those 18+ with an OLCC permit (ability to serve alcohol). Shifts are clearly designated as OLCC or Non-OLCC. Please pay close attention and be sure when you are responding with your availability, that you note if you have an OLCC permit or not. There are minimal shifts available for those under 18, however sometimes there are extra opportunities for this age group—an ideal opportunity for the athletes themselves!

Required Permits

All volunteers need to obtain their Food Handlers permit: www.orfoodhandlers.com - the cost is \$10.00
If you are 18+, you also need your OLCC permit to allow you to serve alcohol, www.asepdx.com cost is \$35.00

Duties when working FFF

If you have an **OLCC permit** you will arrive early - to set up the stand, run a register during the event, and assist with clean up at the end. **Non-OLCC** also arrive early to set up, but will primarily assist in the kitchen with cooking, or running orders to the cashiers. Non-OLCC members cannot run a register unless there is no alcohol being served at the event or stand.

What do I wear?

Each venue is slightly different - you can expect to be required to wear black pants, black non-slip shoes and a hat/lanyard, which is provided by our group. The venues will provide you with shirts to wear during your shift. The Hops is a little more lenient and will allow either black or beige pants or capris and any kind of shoe.

Parking

Moda, Veterans Memorial Coliseum and Hops all provide employee parking passes for the designated employee parking areas. Providence Park is more difficult and we recommend you take the Max to/from the venue.

Cost to Join Legacy FFF

Normally, there is a \$10.00 fee per person to join to cover the group cap and lanyard, both which are worn at all events. This fee is waived for Westside Timbers participants as Westside Timbers will provide both the lanyard and cap.

Sign-up today!

Contact Tanja, Melissa, or Krystle and they will add you to their roster, and help you begin the process of preparing for your first shift. You can contact them by phone, text or email:
